

Alert Level 3 - Guidelines for Play

It looks promising that we may drop down to Level 3 next Wednesday 22nd Sept. This will be known from the Government Update on Monday afternoon. We are working on this basis.

1. You will be able to book for up to 2 people online from 5pm Monday night, not before. Online booking is encouraged during Alert Level 3.
2. Only play with people in your bubble.
3. If your bubble is greater than 2 you will have to phone the office to have the 3rd and 4th person added.
4. Only members will be able to book the slots from 8am - 10am daily.
5. Members can book outside those times if you want a later tee time.
6. Plan to arrive 10 min before your tee time, NO practice putting allowed.
7. On arrival everyone must scan in the QR code. If you don't have a smartphone write your details down in the register outside the office when you check in for your tee time.
8. If you arrive late you will probably not be able to play due to demand. If you are with others who have teed off you can catch them up but stay away from other groups.
9. If you want a golf cart, phone the office to reserve, office will not be staffed until Tuesday 21st. Carts will be available from 8am daily.
10. We will extend the tee off interval to 10 minutes to ensure good separation between groups.
11. Please maintain your pace of play and do not play through the field.
12. Once your round is finished pack away your gear and leave the course.
13. Cards will not be entered, no exceptions.
14. Please come prepared, there will be strictly no access to the clubhouse bathrooms.

Let's stick to these Level 3 Restrictions and enjoy the privilege of being able to play golf after this long lockdown.
